Our levels system is based on the **Common European Framework of Reference for Languages (CEFR)**, the **Council of Europe's** level's system for proficiency in a 2nd language.

What is the difference between the levels?

A level in a 2nd language depends on what you can do in that 2nd language. Your speaking, listening, reading and writing skills are assessed. This is what most learners can do **at the end of** each level:
