This year our Junior Cycle summer language camps are taking place in Coláiste Chú Chulainn, Marshes Lower, Dundalk, Co. Louth from Monday 8 to Friday 19 July 2024.

Who is the Junior Cycle summer language camp for?

Our Junior Cycle summer language camps are most suitable for students who have completed one or two years of Spanish, French or German at secondary school, students who are going into 2nd or 3rd year in September 2024.

How much does the summer language camp cost?

If you want to do classes and workshops in Spanish, French or German, the timetable is 9.30-13.00 and the cost is €300 for two weeks. If you want to do classes, workshops AND afternoon activities 13.30-17.30 with Spanish, French and German students, the cost is €550 for two weeks.

If you would like to attend the language camp from 9.30-17.30 Monday to Friday and pay €0, your family can apply to host a Spanish, French or German student for two weeks (subject to availability).

Who are the Spanish, French and German students in the summer language camp?

They are students aged 13-16 attending our summer language camp. In the mornings from 9.30-13.00 they do English classes and workshops and in the afternoons they do activities.

I want to host a student but I don't have a spare room. Can a student share a bedroom with me?

No, students must have their own bedroom.

I want to do a summer language camp but I don't want to host a student.

No problem, you don't have to host a student to attend one of our language camps.

I can only do one week of the summer language camp, is this an option?

Yes, you can attend one week of the language camp.

I am really interested in the morning classes, but I am not sure I have time for afternoon activities.

No problem. You can register to do classes and workshops from 9.30-13.00.

What will I do in my language classes and workshops?

All our language classes and workshops are tailor-made to cover the needs of our students. You will work on your speaking, listening, reading and writing skills. Our classes and workshops are very interactive and include quizzes, games, presentations, interviews and debates. You can download the content of the language classes and workshops on our website.

How qualified are the teachers?

Our teachers are experienced secondary school teachers and state examiners of the language they teach.

What are the afternoon sports activities?

Students on our Spanish, French, German and English camps do various team-building activities with our instructors in the languages they are learning including raft-building, sky-climbing, canoeing and cycling.

What is the afternoon movie-making programme?

Students on our Spanish, French, German and English camps record short movies with our film crew for our Oscars Gala. This is a really fun way to learn and consolidate new language and perfect your pronunciation in Spanish, French or German. On the last afternoon of the course, we screen the movies for students from all the language camps, family and friends at our Oscars' Gala and present the Oscars to the winners in each category. Movies we have made in recent years include Mean Girls, The Devil Wears Prada, Scream, Stranger Things, Brooklyn Nine-Nine and Friends. Check out some of our movies on our Instagram page.

What are the optional weekend activities?

At weekends, Junior Cycle students can go on day trips to Dublin and Emerald Park with our Spanish, French and German students.
