### Our mission

- To foster a life-long interest in foreign languages in our children.
- To make sure our children enjoy the experience learning to express themselves in a foreign language so they will be confident about learning any language in the future.
- To inspire our children to be curious about the people who speak this foreign language every day and to be interested in communicating with them.

### Our rationale

- Children find it much easier to pick up a foreign language than teenagers or adults.
- The earlier your child starts, the better their pronunciation will be.
- Children with a head start in a second language grow up into very employable bilingual adults who are often better at problem-solving, prioritising and multitasking.
- 1 in 28 Irish primary school children is learning a foreign language compared to 1 in 2 in Europe – let's start catching up!

### Our course content

- We will give you a **course programme** detailing what your child will learn to do in their French or Spanish course so that you can follow your child's language learning journey with them.
- Classes will contain links to **extra activities and songs** for your child to practise at home.
- Your child will learn the language through **drama, music and dance** and will participate in a **multi-lingual show** for classmates, teachers and parents at the end of their course – our children need to show-off what they have learned to stay motivated!
- There are no books to buy - all **materials are included** in the cost of the course.

### Our teachers

- Our teachers are **language teachers** of young learners from Spain, France, Germany and Ireland.
- Our teachers are garda-vetted.

### Our payment options

- You can pay by PayPal on our website [www.thelanguageplace.ie](http://www.thelanguageplace.ie) before the first day of classes of each semester.
- Please make all cheques out to The Language Place.
- We are really sorry but we cannot give refunds due to illness, holidays or other absences.
- In the case of long-term illness, **The Language Place** will give a credit note for another course.
- If you know that your child will miss a class, please text us and we will send you their lesson.

### Our communication with parents

- The course coordinators will be available to chat to you about your child's progress during your child's classes. Meetings with the teacher are before or after class by appointment.
- Your child will receive a **certificate of attendance** at the end of their course.
